CHAPTER 1. UNDERSTANDING & ACCEPTING THE SIGN OF THE TIMES

"Black people **MUST EXTRICATE OURSELVES** from the **DESTRUCTIVE ELEMENTS** of Black life **IF**...we are to survive. We **MUST BUILD** a Black **COUNTER CULTURE** that is able to provide **SELF-CREATED opportunities** which will enable us to **BUILD BLACK INSTITUTIONS** to serve the needs of Black people. This will **ONLY BE POSSIBLE** if we as Black people can **REJECT INDIVIDUALISM** and **UTILIZE FULLY** the power of **SPIRITUALITY** and **COMMUNALISM.**"

- Jaramogi Abebe Agyeman (Rev. Albert B. Cleage)

IN 2024, WE HAVE ZERO POWER!!!

Since the 1st enslaved Afrikan arrived on the shores of North America, **EVERYTHING** humanly possible has been done to keep us from building power for ourselves to create a more equitable playing field. Due to many factors working against our ancestors efforts, and the existence of those very same factors today, we've yet to achieve true empowerment and freedom.

IF...our communities are to be properly protected against this updated version of Project 2025 (this is the **5th Edition**), we **must understand** how we got here and implement solutions that we've yet to fully study, understand, overstand and utilize; the "6 Pillars (**Spirituality, Right Culture, Education, Economics, Socionomics & Politics**) of Empowerment".

EVERYTHING we do in the way of an organized solution **HAS TO include** Afrikan Spirituality and Right Culture.

SOLUTION #1

TAKE TIME...to LEARN MORE about Project 2025...and **ACCEPT THE TRUTH** that it's **REAL!!!** Regardless if that learning comes from the [GROW4CARE website](#) or some other source (or multiple sources). The **MORE** you learn, the better equipped you'll be to not **ONLY** help yourself, your family and your loved ones, but the more equipped you'll be to help grassroots communities prepare and build.

WHY...WE HAVE NO POWER...YET!!! (CH. 1 - PT. 2)

"There's nothing wrong WITH Black people. Something happened TO Black People." - Phillip Shock Matthews

FROM 1526 - 2024: **498** ACTUAL (**2,000+** CONSECUTIVE & **2,600+** CUMULATIVE) YEARS OF ASSAULT, TERROR & DESTRUCTION

- Legal Slavery (1526 - 1865) - **339 Years**
- Scientific Racism (1700 - Present) - **324 Years**
- Human, Political & Civil Rights Denied (1650 - Present) - **374 Years**
- Tuskegee Syphilis Experiment & Medical Apartheid - (1650 - Present)- **374 Years**
- Slave/Black Codes (1800 - 1866) **66 Years**
- Terrorism, Race Riots & Mass Murder (1824 - 1951) - **127 Years**
- The Rise of the Ku Klux Klan (America's 1st Terrorist Organization (1865 -Present) **159 Years**
- Convict Leasing & Peonage Farms (1840 - 1942) - **102 Years**
- Jim Crow/Enforced Racial Segregation (1877 - 1964) - **87 Years**
- Eugenics, Sterilization & Birth Control (1922-Present) - **102 Years**
- Redlining, Gerrymandering & Gentrification (1934 - Present) - **129 Years**
- The Prison Industrial Complex (1942 - Present) - **82 Years**
- COINTELPRO - (1956 - Present) - **68 Years**
- Creation of the Welfare State (1965 - Present) - **59 Years**
- Iran/Contra & Crack Cocaine (1982 - 1992) - **10 Years**
- The War of Drugs (1966 - Present) **58 Years**
- Hollywood's Propaganda (1830 - Present) **194 Years**

EVERYTHING that's happened to Melanated Descendents of Afrikan people has been **PUBLIC POLICY**...which means someone had an idea/agenda that others mobilized and organized around to eventually make it **policy**, i.e., the **LAW**, in the United States. What's happened has happened because **we've NEVER had the power to stop ANY of it!!!**

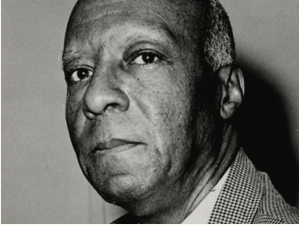

What was once law...**CAN BECOME** law AGAIN, **IF**...we don't DO something.

SOLUTIONS #2 & #3

#2 - PLUG INTO our zoom calls and DIRECTLY CONNECT with the GROW4CARE Alliance.

#3 - Begin to Learn, Fully Understand & THEN Help to Implement the "6 Pillars (Spirituality, Right Culture, Education, Economics, Socionomics & Politics) of Empowerment".

EVERYTHING WE NEED...WE ALREADY HAVE!!! (CH. 1 - PT 3)

"At the banquet table of NATURE, there are NO RESERVED SEATS. You GET what you can TAKE, and you KEEP what you can HOLD. If you can't TAKE anything, you won't GET anything, and if you can't HOLD anything, you won't KEEP anything. And you CAN'T TAKE ANYTHING without ORGANIZATION." - A. Philip Randolph

To push back against an effort of "Project 2025's" magnitude is tremendous! **NO ONE person, group, business or organization can EFFECTIVELY mobilize & organize on his/her/their own...and DO everything that needs to be done.**

As over 100 conservative, white think tanks put aside THEIR differences and came together to produce the 900+ page "Project 2025" document, so to must the Black community do the same.

SOLUTIONS #4 & #5

#4 - NO ONE...can do this work alone. COMMIT...to BUILDING YOUR PERSONAL TEAM of 4-6 people (no matter how long it takes) who can not ONLY help you mobilize and organize, but also help you learn and grow.

#5 - DO A DEEPER DIVE...into WHY "Project 2025" is a THREAT to our lifestyles as we currently know and enjoy them.

WE SIMPLY DON'T KNOW IT...BECAUSE WE DON'T TALK TO ONE ANOTHER.

CHAPTER 2.

"WHAT IS PROJECT 2025?"

"As we have said so often, imperialism **NEVER** rests and so we **MUST CONTINUE** to be **ON OUR GUARD**, continue to be **VIGILANT**, continue to **EXPAND** and **STRENGTHEN** our people. We **MUST KEEP** our eyes open for **NEW** tricks, **NEW** variations of the **enemy's plan**, for **NEW DEVIIOUS** twists and turns on the **PROPAGANDA, ECONOMIC & MILITARY** fronts." - Maurice Bishop

"THE MANDATE FOR LEADERSHIP"

"Project 2025", also known as the "Presidential Transition Project", is a collection of policy proposals (900+ pages) to reshape the Executive branch (15 National Departments) of the U.S. government on an historic scale if there's a Republican victory in the 2024 U.S. presidential election.

What They Want to Do

1. **CREATE** a "Christian" Nationalist **Amerikkka** whereby those currently **IN** power **MAINTAIN** and **KEEP** that power.
2. **INCREASE** the **gap** between the **HAVES** and the **HAVE NOTs**.
3. **WEAKEN** the **Social Safety Net** that **MILLIONS** rely on.
4. **MAKE** **Food Insecurity** a **MORE** **PERMANENT** Issue in Multiple Spaces
5. **FURTHER WEAKEN** the **Public** while **ATTACKING** the **Higher Education** Systems
6. **AGGRESSIVELY PUSH** to **DISMANTLE** **Organized Labor & Strong Jobs**.
7. **DISMANTLE** **Climate Change** Standards, Rules & Regulations
8. **Create CHAOS!!!**

So, the **TASK OF THE REVOLUTIONARY** is to **ORGANIZE THE MASSES** of the people."

PAY ATTENTION!!! (PT. 2)

"Do you see law and order? There is **NOTHING** but **DISORDER**, and **INSTEAD** of law there is the **ILLUSION** of **SECURITY**. It is an illusion because it is **BUILT ON A LONG HISTORY** of **INJUSTICES: RACISM, CRIMINALITY**, and the **GENOCIDE** of millions. Many people say it is insane to resist the system, but actually, **it is insane not to.**"

- Mumia Abu Jamal

THE DONALD TRUMP SUPREME COURT

- Ruled that **"official" acts taken by a PRESIDENT**, no matter **HOW** egregious...which **COULD INCLUDE MURDER**...are **protected**, but not steps taken as a candidate
- **Overtaken Roe v. Wade**, the U.S. Supreme Court ruling that had **protected the right to abortion nationally** for nearly 50 years
- **Overtaken a 40-year-old precedent** that has **guided how federal agencies protect the environment, workers, consumers and more**
- **Blocked the Biden administration from enforcing its "Good Neighbor" plan to reduce smog-forming pollution**
- **Ruled that people without homes can be arrested and fined** for sleeping in public spaces
- The above decision **overturned a lower court's ruling** that enforcing camping bans when shelter is lacking is **cruel and unusual punishment**
- **Stripped the Securities and Exchange Commission of a major tool in fighting securities fraud** in a decision that could have **far-reaching effects on other regulatory agencies**

- **Struck down a federal ban on "bump stocks"**, devices that can **vamp up semiautomatic firearms** to discharge ammunition **as rapidly as machine guns** and that have been behind **the most devastating mass shootings in recent history**

CREATING A "CHRISTIAN" NATIONALIST AMERICA

- Craig B. Lee

- **Rolls back over 100 years** of critical gains in **racial equality** and **representation** for Black communities
- **Emphasizes "anti-white racism"** by **eliminating racial classifications** and **quotas** from **all federal departments** and **programs** and criminalizes those institutions that refuse

SOLUTION #13

As local political power and/or leverage is **THE BEST** defense for harmful/dangerous national federal agendas/policies and laws (like "Project 2025"), begin to research, study and understand who's in power in your local space.

- Who's the Mayor? Who's on the City Council?
- Who Runs/Sits on what Departments, Committees and Boards?

Who runs your city/parish?

CREATING A "CHRISTIAN" NATIONALIST AMERICA (PT. 2)

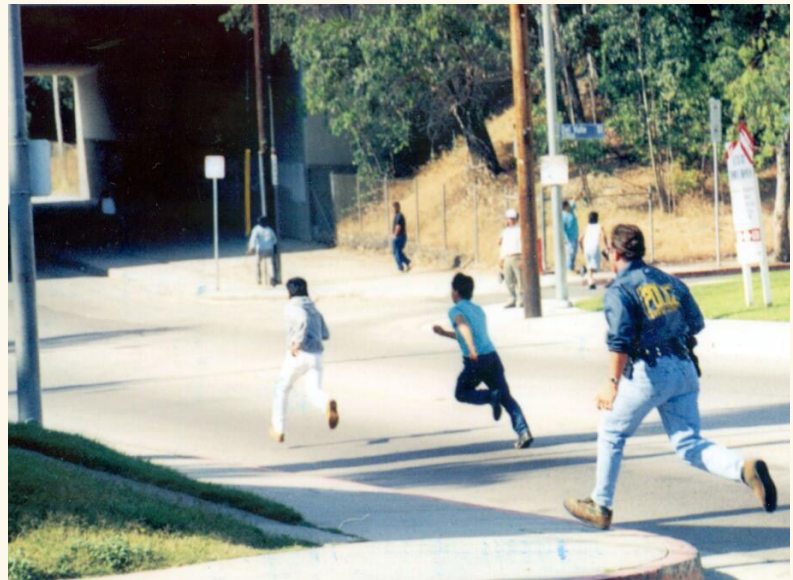

"We ain't gonna fight no **reactionary pigs** who run up and down the street **being reactionary**; we're gonna **organize** and **dedicate ourselves** to **revolutionary political power** and **teach ourselves** the **specific needs of resisting the power structure**, arm ourselves, and we're gonna fight **reactionary pigs** with **international working people/grassroots revolution.**"

#15 - ENSURE...that your team is ALSO registered...and THEN tap EACH team member to ENSURE 4-5 of THEIR friends are registered. CHALLENGE THEM to keep it going. "ONE...to Register FIVE!"

CREATING A "CHRISTIAN" NATIONALIST AMERICA (PT. 3)

"People get **USED** to **ANYTHING**. The **LESS YOU THINK** about **your oppression**, the **more your TOLERANCE** for it **GROWS**. CREATING A "CHRISTIAN" NATIONALIST AMERICA (PT. 5)

"Power concedes nothing without a demand. It never *did* and it never *will*. Find out just what *any* people will quietly submit to and you have found out *the exact* measure of injustice and wrong which will be imposed upon them, and these will continue till they are resisted with either words or blows, or with both. The limits of tyrants are prescribed by the endurance of those whom they oppress."
- Frederick Douglass

THE MOST TROUBLESOME ISSUES (CONTINUED)

- Recommends reducing the corporate tax rate to 18%, describing it as "the most damaging tax in the U.S. tax system"

CHAPTER 4. ATTACKING & WEAKENING THE SOCIAL SAFETY NET

"[The] association of **wealth with whites** and **poverty with blacks** is **NOT accidental**. It is the **nature of the imperialist relationship** that enriches the metropolis at the expense of the colony i.e. it makes the whites richer and the blacks poorer." - Walter Rodney

THE MOST TROUBLESOME ISSUES

- Proposes the elimination of Head Start which is projected to affect the lives of **nearly 1 million low-income young children a year** per their educational and social development
- Proposes turning the running of social service/aid programs over to states which historically has **always had disastrous consequences** for low-income children and families
- **Thirteen (13) Republican states** have **refused federal money** for **summer meal programs** for **low-income and poor children**. This number is projected to increase

- When state leadership was asked **why the funds were refused** they cited, "philosophical objections with welfare programs and lack of control over what families might purchase."
- Programs like **SNAP, school meals programs, and meals programs for the elderly** are slated for **reduction or termination**
- Privatizes gov't functions like **providing medical care to 9 million patients of the Veterans Health Administration.**

SOLUTION #20

UNDERSTAND YOUR SURROUNDINGS. Begin to take note and understand where you live, especially if it's a predominantly black space, within a one mile radius (for starters) of your home address. All the businesses, all the barbershops, all the beauty salons, all the churches, all the streets, and eventually all your neighbors.

WEAKENING THE SOCIAL SAFETY NET (PT. 2)

“Placing the burden on the individual to break down doors in finding better education for a child is attractive to conservatives because it REAFFIRMS their faith in individual ambition and autonomy. But to ask an individual to break down doors that we have chained and bolted in advance of his arrival is unfair.”

- Jonathan Kozol

THE MOST TROUBLESOME ISSUES (CONTINUED)

- Calls for the government to reject abortion as health care
- Criminalizes abortion, including the abortion pill, which affects Black women the most as they receive one-third of all abortions, yet face higher maternal mortality rates
- Calls for the excising of the term “abortion” from all federal rules and regulations, denying federal funds to providers who offer reproductive care
- **All fair housing regulations** designed to further equity and reduce discrimination **will be repealed**

- Bars U.S. citizens from qualifying for federal housing subsidies if they live with anyone who is not a U.S. citizen or legal permanent resident
- Proposes that states should have the ability to impose work requirements on Medicaid, which helps to cover medical costs for low-income people
- Proposes changes at HUD that will make housing assistance more difficult for low-income individuals to access

SOLUTIONS #21 & #22

#21 - COMMIT...to MAKE TIME...TO DO THE WORK! Make time, at least two hours a week, to join us in mobilizing and organizing the streets then the neighborhoods then the precincts and finally the ZIP Codes.

#22 - BEGIN to RESEARCH & CONNECT with local non-profits that are focused on Black, Brown & Poor Grassroots Communities. This will be a PIVOTAL MANEUVER for your ability to help the community.

CHAPTER 5. ATTACKING FOOD SECURITY PROGRAMS

"But when in that same city - Birmingham, Alabama - **five hundred black babies die each year** because of the **lack of proper food, shelter and medical facilities**, and **thousands more are destroyed and maimed physically, emotionally and intellectually** because of **conditions of poverty and discrimination in the black community**, that is a function of **INSTITUTIONAL racism**." - Kwame Ture (Stokely Carmichael)

THE MOST TROUBLESOME ISSUES

- **Proposes the U.S. Department of Agriculture (USDA) play a limited role in the production of safe food and an expanded role in "removing governmental barriers that hinder food production"**
- **Labels the Biden administration's goal of making the agriculture economy "equitable and climate smart", a woke agenda**
- **Emphasizes Industrial & Capitalist Agriculture, which only considers weight, not quality or externalities, in the production of food.**
- **Proposes reforming farm subsidies, which will negatively impact the diversity of the American family's diet**
- **Proposes moving the USDA food and nutrition programs to the Department of Health and Human Services, which, under the P2025 plan, categorizes these sorts of programs for the poor as "overspend" so the need to make it harder to get food stamps becomes a reality while simultaneously opens up the opportunity to eliminate these programs.**

SOLUTION #23

ACTIVATE Your Mastermind Support Teams by focusing on SPECIFIC Local Agricultural NEEDs.

1. Creating a Local, Food Systems Network.
2. Creating a Weekly Farmers Market Operation
3. Creating a Weekly Subscription Based, Fresh Foods Delivery Operation

CHAPTER 6. ATTACKING PUBLIC & HIGHER EDUCATION

"As a Behavioral Scientist and Practicing General & Child Psychiatrist, my **functional definition of racism (white supremacy) is the local & global power system structured and maintained by persons who classify themselves as white, whether consciously or subconsciously determined; this SYSTEM consists of patterns of perception, logic, symbol formation, thought, speech, action and emotional response, as conducted SIMULTANEOUSLY in ALL AREAS of people activity (economics, education, entertainment, labor, law, politics, religion, sex, and war).**" - Dr. Francess Cress Welsing

THE MOST TROUBLESOME ISSUES

- **Eliminates the Departments of Education.**
- **Title I, the \$18 billion federal fund that supports low-income students, would disappear in a decade.**
- **Along with the elimination of learning programs that target poor communities, all federal funding will be block-granted to states with no federal oversight.**
- **Existing research shows that per the above, over time, block-granting programs lead to funding reductions and diversions.**
- **Federal special education funds would flow to school districts as block grants with no strings attached.**
- **Seeks to eliminate the National Education Association's Congressional Charter, which allows for the existence of teacher's unions."**
- **Advocates for rolling back the Biden administration's more recent student debt relief efforts.**

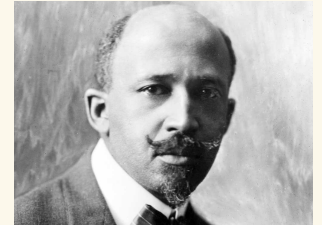

SOLUTION #24

ACTIVATE Your Mastermind Support Teams by focusing on SPECIFIC Local Community Education NEEDs.

1. Tap the Retirement Community to Assist.
2. Create a "Communiversity".
3. Establishing Saturday School to help properly educate, enhance and enrich.

ATTACKING PUBLIC & HIGHER EDUCATION (PT. 2)

"A **SYSTEM** of education is not one thing, nor does it have a **SINGLE DEFINITE OBJECTIVE**, nor is it a mere matter of schools. Education is that **WHOLE SYSTEM** of human training **WITHIN** and **WITHOUT** the school house walls, which molds and develops men." - **W.E.B. DUBOIS**

THE MOST TROUBLESOME ISSUES (CONTINUED)

- Advocates for **rolling back the Biden administration's** more recent **student debt relief** efforts.
- The federal government's ability to **enforce civil rights laws in schools** would be **scaled back**.
- **Block federal financial aid** for up to **two-thirds of all American college students** if their **STATE...permits** certain immigrant groups...including Dreamers with **legal status...to access in-state tuition**.
- **Calls for cuts to federal funding** for schools that push "**progressive social ideas**"

- **Supports a very right-wing leaning "Parents Bill of Rights"** with **conservative "Christian" tenets and practices** including bringing the **Bible into the classroom**
- Seeks to **remove "red tape and regulations"** via federal oversight by **allowing states more latitude and control**.
- House Republicans **approved a recent budget** last year that would **CUT TITLE II** by **80 percent**

SOLUTION #24 (continued)

ACTIVATE Your Mastermind Support Teams by focusing on SPECIFIC Local Community Education NEEDs.

4. Create an Alliance with Local Business Entities to train High School & College Aged youth.
5. Work with Political Allies to Create After-Hour & Weekend Schools.

CHAPTER 7.

ATTACKING LABOR & JOBS

"Labor unions have a **LONG HISTORY** of benefitting **all workers**, even those who are **not members of unions**, because **everyone's wages go up**. If we **don't increase membership** - and membership in labor unions is **going down because of the attacks against organized labor** - it's something **every single American, whether they're officially in a union or not, should be concerned about**. It's a **SPIRAL**. It's a **weakening of the middle class** and our economy **can't sustain that**."

- Nina Turner

THE MOST TROUBLESOME ISSUES

THE HERITAGE FOUNDATION & THE AUTHORS OF PROJECT 2025

"You don't make progress by standing on the sidelines, whimpering and complaining. You make progress by implementing ideas." - Shirley Chisholm

THE CONSERVATIVE, RIGHT WING

The Heritage Foundation, sometimes referred to simply as "**Heritage**", is an activist American conservative think tank based in Washington, D.C. **Founded in 1973**, it took a **leading role in the conservative movement in the 1980s** during the presidency of **Ronald Reagan**, whose **policies were taken** from Heritage Foundation studies, including its "**Mandate for Leadership**".

The Heritage Foundation has had significant influence in U.S. public policy making, and has historically been ranked among the **most influential public policy organizations in the United States**. In 2010, it founded a sister organization, "Heritage Action," an influential activist force in conservative and Republican politics.

Heritage leads Project 2025, an expansive plan to **reshape the federal government and consolidate executive power** should a Republican be elected president in 2024.

"More than 2 MILLION PEOPLE found themselves **BEHIND BARS** at the turn of the twenty-first century, and **MILLIONS MORE** were relegated to the **MARGINS** of mainstream society, **BANISHED** to a **POLITICAL** and **SOCIAL** space **NOT UNLIKE Jim Crow**, where **discrimination** in **EMPLOYMENT**, **HOUSING**, and **ACCESS TO EDUCATION** was **PERFECTLY LEGAL**, and where they could be denied the right to **VOTE**.

The **SYSTEM** functioned *relatively automatically*, and the **prevailing SYSTEM** of **racial MEANINGS**, **IDENTITIES**, and **IDEOLOGIES** already seemed natural. **Ninety percent** of those admitted to prison for drug offenses in many states were **black or Latino**, yet the **mass incarceration of communities of color** was explained in **RACE-NEUTRAL** terms, an **adaptation** to the **NEEDS AND DEMANDS** of the **CURRENT political climate.**" - Michelle Aleander

THEY DON'T ALWAYS LACK MELANIN!!!

What They Say They Do

The Frederick Douglass Foundation is a public policy and educational organization which brings the sanctity of free market and limited government ideas to bear on the hardest problems facing our nation. We are a collection of pro-active individuals committed to developing innovative and new approaches to today's problems.

What They Say They Do (Per the Nat'l Center for Public Policy Research Website...as they don't have their own.

"Project 21 is an initiative of The National Center for Public Policy Research to promote the views of African-Americans whose entrepreneurial spirit, dedication to family and commitment to individual responsibility have not traditionally been echoed by the nation's civil rights establishment."

Project 21 participants have been **interviewed by hundreds of media outlets**, including the **O'Reilly Factor, Hannity and Colmes**, the CNN Morning News, Black Entertainment Television's Lead Story, America's Black Forum, the **McLaughlin Group**, C-SPAN's Morning Journal and the **Rush Limbaugh, Michael Reagan, Sean Hannity, G. Gordon Liddy and Larry King shows**.

Project 21 is partly funded by the Lynde and Harry Bradley foundation, which has bankrolled studies devoted to the supposed genetic intellectual inferiority of blacks.

CHAPTER 10. WHO IS "THE GROW4CARE ALLIANCE"

"In the midst of chaos, there is also opportunity." - Sun Tzu

"IN THE MIDST OF CHAOS, THEIR IS ALSO OPPORTUNITY" - SUN TZU

On **DAY 1** of [INSERT REPUBLICAN PRESIDENT HERE] taking office, **TENS OF THOUSANDS** of people lose their jobs, national government departments, offices & programs are **ELIMINATED**, (MORE jobs), the **social safety net** (food, medicines, insurance coverage, etc...) is **75/80% DEPLETED**, public & college **education** funds are cut in **HALF**, **environmental** rules & regulations are **DISMANTLED!!!**

THE RESULT: CHAOS!!! THAT'S what they want; however, there's **OPPORTUNITY...in CHAOS...ESPECIALLY IF you KNOW** it's coming.

The **ONLY REALISTIC AND FORMIDABLE RESPONSE** to the above is a response that creates an **INDEPENDENT POLITICAL** apparatus to take over spaces where Black, Brown & Poor, Grassroots persons are the majority.

That **GROW4CARE Alliance** is the response.

SOLUTIONS #30 - #32

SOLUTION #30 - COMMIT YOUR SUPPORT. Commit to supporting us in all of our community mobilizing and organizing events. We will never seek to bring our people together for a reason that's not directly connected to the empowerment of the community. We understand that we don't have time to waste.

SOLUTION #31 - HELP EDUCATE & TRAIN THE YOUTH! None of what we do as adults matters if we're not training the youth to take our place. "Tyehimba", Our youth program operating under the "Dads on Duty" banner, is the pathway to ensuring our youth are trained and ready to take our places as we lay a foundation of empowerment and freedom.

SOLUTION #32 - MOBILIZE, ORGANIZE, ACTIVATE & FIGHT to build a Nation Within this Nation by taking over predominately Black, Brown and poor grassroots spaces where we are the majorities...and **PROTECT THOSE SPACES** like our lives depended on it... because they do.

CHAPTER 11

WHY JOIN THE GROW4CARE ALLIANCE!

"In defining our program, it is necessary to state clearly what Black Christian Nationalism means by a "Black Nation". We are NOT SEEKING 5 states in the South for Black people, NOR ARE WE ADVOCATING a "Back -to-Africa" movement, although we have no objection to any of these. But it does not seem realistic to think that white people are going to GIVE US ANYTHING that we are not PREPARED TO TAKE! We are concerned with "NATION WITHIN A NATION", uniting Black people in such a way that we have the BASIC BENEFITS OF NATIONHOOD in the interim while we PREPARE FOR the liberation of our homeland, Africa"

- Jaramogi Abebe Agyeman (Rev. Albert B. Cleage)

LET'S BUILD FOR ETERNITY!!!

1. OUR ULTIMATE GOAL is training & preparing grassroots people to run cities!!!
2. WE MOBILIZE & ORGANIZE the community for local political information, access & power.
3. OUR POLITICAL STRATEGY: Independent. We Need Our Own!!!
4. EVERY EVENT WE HOST is about informing, educating & activating the community.
5. WE'RE BUILDING COMMUNITY TEAMS for a greater voice in every community affair.
6. WE IDENTIFY OPPORTUNITIES that already exist to take advantage of each of them.
7. WE'RE GIVING OWNERSHIP to the community from opportunities we build.
8. WE'RE BUILDING STRATEGIC ALLIANCES with every entity that's open...& identifying the predators for removal.
9. WE'RE BUILDING PARTNERSHIP PIPELINES with our HBCUs.
10. OUR YOUTH PROGRAM is about leadership training in and for the community.
